Spookley The Square Pumpkin: The Musical tells the story of a square pumpkin living in a round pumpkin patch on Holiday Hill Farm. Shunned by the other pumpkins, Spookley is befriended by Edgar, Allan and Poe, three hilarious spiders who convince him that, square or not, he has a right to be the Pick of the Patch.

Encouraged by kindly Jack Scarecrow, Spookley tries his best, but he isn't sure he has what it takes until a mighty storm threatens Holiday Hill Farm. Spookley realizes it is up to him and his square shape to save the day. As a result, all the pumpkins in the patch learn that the things that make you different make you special.

I was working in the lab, late one night
When my eyes beheld an eerie sight
For my monster from his slab, began to rise
And suddenly to my surprise

he did the monster mash
(The monster mash) it was a graveyard smash
(He did the mash) it caught on in a flash
(He did the mash) he did the monster mash
from my laboratory in the castle east

(Wa-oooh) to the master bedroom where the vampires feast
(Wa-wa-oooh) the ghouls all came from their humble abodes
(Wa-oooh) to get a jolt from my electrodes

they did the monster mash
(The monster mash) it was a graveyard smash
(They did the mash) it caught on in a flash
(They did the mash) they did the monster mash
